Sir Robert Falconer,
LL.D.,
Pres. U. of Tor.
Toronto:

Sir:

I have today mailed you a memorial to the Hon. the Senate of my alma mater, including a synoptical bibliography, and other collateral. Should the Senate agree to grant the petition, whatever money, according to regulations, is required, please advise me, and oblige,

Yours sincerely,

John Campbell.

P.S. Pardon my not having sent you this memorial sooner, but I was unable to secure the other necessary documents, and the latter may interest you, and it will therefore be worth while.

Rev. Captain Campbell, Ph.D.,

"Broadultans",

Victoria, B.C.

Dear Dr. Campbell:

I have received your letter and the petition which you have forwarded to us to be transmitted to the Senate on behalf of granting a degree to Mr. Paul of Victoria. The petition will be presented to the Senate at its next meeting and I have no doubt that they will refer it to the Committee on Honorary Degrees. The Committee on Honorary Degrees usually does not meet until April as our regular Convocation is not held until May. I have not any idea as to what the Senate or the Committee will do in the matter, but I am sure that they will give your petition careful consideration.

Yours sincerely,

President.
